QUALITY FOR LIFE

## **Soft Knee Orthoses Range**

Product Information

# Soft Knee Orthoses Range

Warmth and  
compression

Compression and  
breathability

## Genu Therma

### Effects:

- Provides warmth and compression, which helps to reduce pain and improves blood circulation
- Supports sensory motor control
- Relieves the pressure on the patellar tendon insertion (8385, 8386, 8387)

### Features:

- Anatomic design to provide excellent comfort and fit

Art Code	Name
8385	Genu Therma Tendon
8356	Genu Therma Chondro
8387	Genu Therma Combi
8361	Genu Therma
8364	Genu Therma Patella
8354	Genu Therma Fit
8388	Genu Therma Stable

## Genu Carezza

### Effects:

- Support and stabilization by coil springs
- Supports sensory motor control
- Prevents patella from luxation with lateral support (8360)

### Features:

- Lateral and medial coil springs for improved knee stability
- Anatomic design and special textiles to provide excellent comfort and fit
- High tech breathable material to transport away moisture
- Soft inside material to optimize the wearing comfort for long term use
- Wraparound version available with front closure mechanism to ease handling

Art Code	Name
8358	Genu Carezza
8362	Genu Carezza wraparound
8360	Genu Carezza Patella Stabilizer

## Genu Direxa

### Effects:

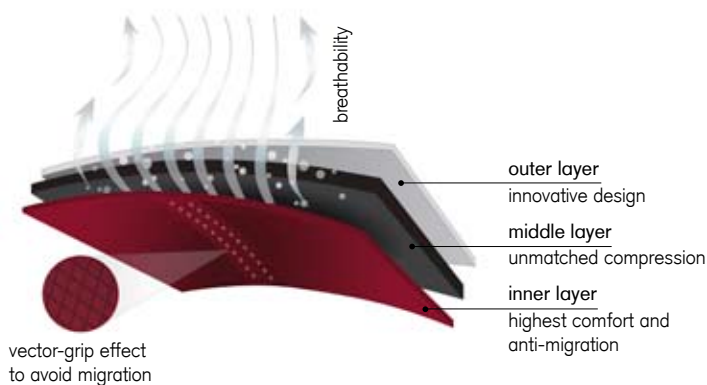

- Sensory motor performance improvements through controlled compression
- Pain relief and functional improvement and stabilization of the knee joint
- Protection from hyperextension

### Features:

- Knee bracing with three options to always stabilize the knee joint with the right brace (standard, stable, stable long version)
- Polycentric joints with gradual extension and flexion stops and Click-2-Go System for tool free settings
- Covered joint bars for contact sports use
- Anatomic design and special textiles to provide excellent comfort and fit
- High tech breathable material to transport away moisture
- Soft inside material to optimize the wearing comfort for long term use
- Wraparound version available with front closure mechanism to ease handling

Art Code	Name
8356	Genu Direxa
8353	Genu Direxa wraparound
8357	Genu Direxa stable
8367	Genu Direxa stable wraparound
8359	Genu Direxa stable long
8368	Genu Direxa long wraparound

Innovative high tech material combines breathability and compression.

Click-2-Go  
For easy and tool free adjustment
